Mr. Robert Simmons
Staff Director
Select Committee on Intelligence
United States Senate
Washington, D.C. 20510

Dear Mr. Simmons:

On behalf of the students and instructors of the Advanced Intelligence Seminar, I would like to express my deep appreciation to you for taking time to discuss the Select Committee on Intelligence.

The Seminar is intended to provide selected middle- and senior-grade officers an opportunity to explore some of the important issues facing the nation and the institutions that must deal with those issues. The field trip to Capitol Hill fulfills both goals. As Intelligence Officers, these students were particularly interested in learning how the Select Committee oversees the activities of the Intelligence Community--and particularly the CIA--and gaining some insight into those issues the Committee believes to be important. Your presentation answered these questions.

Once again, thank you. We look forward to a continuing relationship.

Sincerely,

Director
of
Training and Education
